

## STARLINK COMPANION BUNDLE - TERMS AND CONDITIONS

1. Minimum 12-month term:
  - a. Except on airtime agreements which may have shorter commitment terms.
  - b. Once the minimum commitment period has been met all subscribed services will continue to operate and be invoiced for, at the prevailing rates, until cancelled. Service-specific minimum terms apply.
2. \$2,000 bundle discount is applicable only if Iridium Certus hardware and airtime is taken via AST Networks.
3. Starlink and Iridium Certus 700 rates apply as priced which are:
  - a. Starlink 50GB plan
  - b. Iridium Certus OMB plan
4. It is expected that most users will opt for upgraded airtime plans to provide more capacity. If so, users can select from the range available, which will accordingly attract higher costs.
5. Airtime upgrades and downgrades are provided as per standard AST rate plans.
6. Airtime usage outside of agreed plans (overage) will be charged as per standard AST rate plans.
7. All appropriate airtime agreements must be completed and signed.
8. The LinkBox monthly service fee includes remote support by ASTs Technical Support team; plus, ASTs unique lifetime warranty on supplied LinkBox hardware installed onboard, which will be replaced or upgraded at AST's option in perpetuity.
  - a. Standard manufacturer warranty applies to Starlink user terminal and/or Iridium Certus user terminal, and/or any alternative user terminals, supplied by AST Networks.
9. The LinkBox service is always supplied with a minimum of one AST Networks' supplied satellite bearer.
  - a. The customer may choose to use their existing service(s) as alternative bearer(s). If so, this may reduce ASTs ability to provide remote support.
10. The cellular SIM and service is customer supply; associated cellular service costs are borne by the customer.
11. If the required solution differs from the one outlined in the Headline Information, costs will change accordingly (such as for hardware provided and associated airtime).
12. Prices quoted exclude:
  - a. Antenna cables and mounts.
  - b. Wireless Access Points (quantity supplied to be determined by end-user requirements).
  - c. Freight, duties, taxes.
  - d. and installation (which can be arranged if required).
13. The 'bundle special offer' expires once 50 systems have been sold or committed, thereafter the standard hardware price applies. All prices are subject to change given 30 days' notice.
14. Individual airtime and LinkBox agreements apply.
15. All services will have the same commencement date, and all billing will start from that date; however, none of the services (airtime or LinkBox) will commence until all related agreements are fully completed and received by AST Networks.
16. All existing relevant AST Network's Terms, Conditions and Policies apply, see [www.ast-networks.com/terms-and-conditions](http://www.ast-networks.com/terms-and-conditions) for details.
