

Free LEO Internet Connectivity Introductory Promotional Offer.

Two months of LEO internet connectivity - completely free!

We're confident in our connectivity.
Try it for two months and you will be too.

Your two-month free trial includes:

OneWeb LEO Internet Connectivity
On a service plan that suits your vessel requirements.

Intellian Antenna on Sale or Return
A suitable antenna will be provided for your trial. If you decide OneWeb isn't for you, simply return it in line with our T&C's, and the antenna charge is cancelled. *Just like that.*

What Happens After the Trial?

Either return the antenna in line with our terms and conditions and stop using the service, or;

Go unlimited - get the antenna for free. Commit to 12 months of unlimited connectivity following your two free months, and the antenna is yours to keep - free of charge. This excludes connections on an OW11FM 30/6 plan.
See operational details here.

Choose a plan that suits your vessel. Flexible monthly plans are available from lower to higher usage. A minimum 12-month commitment applies, and the antenna will be charged after the free two month trial ends.
See available plans here for more details.

Try it. Like it. Keep it..

Try OneWeb LEO internet connectivity free for two months with our introductory promotional offer. See what it can do for you before making a commitment.

No catch, just connectivity.

Ready to Start Your Free Trial?

Contact us today to discuss your vessel and start your free trial. *T&C's apply, see overleaf.

AST Networks

Operational Details

1. Promotional Period for Maritime Use
The promotion is available until 31 December 2026, unless extended at AST Networks' discretion. The Intellian antenna must be despatched before the end of the promotion period in order for the trial to comply with the offer.

2. Two-Month Connectivity Trial
The promotion provides two-months of OneWeb connectivity on a service plan that suits your vessel requirements. There is no data allowance or overage charge if you select an unlimited data package during the two-month free trial period. The trial is provided on the basis that the customer subsequently either:

- returns the antenna in accordance with the conditions below, or
- continues with a paid connectivity plan with AST Networks

3. Bandwidth
Speeds can vary according to terminal type. OW11FM up to 100 Mbps download / 20 Mbps upload, OW10HM up to 30 Mbps download / 6 Mbps upload.

4. Intellian Antenna - Sale or Return
An Intellian antenna will be provided for use during the trial, the variant will match the required bandwidth. The antenna will be invoiced on despatch, with payment due within 120 days. The antenna invoice will be cancelled if:

- the antenna is returned to the original point of dispatch within 120 days, in its original packaging and in good working condition,
- the customer commits to a 12-month unlimited connectivity plan before the 120-day return period has expired.

Return freight costs are the customer's responsibility. Any damage to the antenna beyond fair wear and tear will be charged to the customer.

5. Self-Installation
The Intellian antenna is supplied on a self-installation basis. AST Networks will provide helpline guidance to assist with installation and activation.

6. After the Trial
At the end of the two-month trial, the customer can choose to:

- cancel the service and return the antenna within 120 days in its original packaging and in good working order.
- continue with OneWeb connectivity by selecting the data package that best suits their needs. A minimum 12-month commitment applies, with flexible monthly plans available from lower to higher usage. The antenna will be charged in accordance with the terms above and must be paid within the 120 day period from point of invoice.
- if the customer selects an unlimited connectivity package by committing to a 12-month unlimited plan, the Intellian antenna and accessories are then provided free of charge. This free of charge offer excludes plans where an OW11FM is connected on a 30/6 data plan.

7. Existing Antennas
An existing compatible antenna may be used instead of the supplied Intellian antenna, subject to there being no restrictions on its use and it being suitable for the service. Where an existing antenna is used, the sale or return provisions relating to the Intellian antenna do not apply and no antenna will be supplied for the duration of the trial.

8. Connectivity Service Terms & Conditions
OneWeb connectivity under this promotion is provided by AST Networks. Service availability and performance are subject to the applicable OneWeb service parameters and AST Networks' standard connectivity conditions. These promotion-specific operational details should be read together with AST Networks terms and conditions.

9. Offer Availability and Withdrawal
Two months free airtime and antenna are subject to availability. AST Networks reserve the right to withdraw, amend, or terminate this promotion at any time without prior notice.

10. Questions & Support
For questions about the promotion, installation, connectivity plans, or continuation after the trial, please contact us.
